Success Stories

See how players at all levels have improved their chess with Endgame.

"Endgame helped me break through my rating plateau. The AI analysis is incredibly detailed and the grandmaster insights are game-changing."

Alex Chen
1850 → 2100

"As a beginner, I was overwhelmed by chess theory. Endgame's personalized learning path made everything clear and enjoyable."

Sarah Johnson
1200 → 1650

"The 'What would Magnus do?' feature is brilliant. It's like having a personal coach analyzing every position with you."

Marcus Rodriguez
2000 → 2300
